

Pearl Buck Center presents

Project SEARCH Program Tour

Learn about our acclaimed nine-month internship program for people with disabilities by seeing it in action!

Project SEARCH provides work experience and employability training at local host businesses that have committed to supporting people with disabilities in the workplace. At the end of the nine-month program, Project SEARCH graduates will be prepared for competitive, integrated employment. Observe interns working and see the types of tasks they complete for the hospital by taking a tour with Project SEARCH staff at **PeaceHealth Sacred Heart Medical Center at RiverBend!**
